

"Life is a Journey"

"Life is a journey, full of pictures, places, stories and great tasting recipes"

We love fashion, people watching, we love sitting at a café to watch the world go by, we love great food, we love art, we love good living, we love to travel and try new tastes. . . That's why in this menu, you will find a delectable array of Thai as well as international dishes that we love.

As the cover says, "Life is a journey, full of pictures, places, stories, and great tasting recipes". We discovered many of these dishes and recipes on the journey we made in our lives. Many of them we grew up with... favorite treats cooked by our moms, and even our grandmothers.

We hope you enjoy them as much as we do!

THE ART OF CATERING

Just as we approach the preparation of fine foods as an art of expression, as well, we apply that same approach to our passion for catering.

Anticipating an occasion, the selection of courses with a sense of timing as it relates to flavors and aroma... all part of the preparation and presentation, as integral as the ingredients so carefully chosen from our palette for your palette.

We are proud to offer two ways we can fulfill your catering needs:

Drop Off Delivery • Onsite Custom Cooking
(Call for Delivery areas)

Either way we guarantee your satisfaction, and are confident that once you call, you'll call again and again for the quality, flavor and affordable convenience.

\$25 minimum on deliveries (with \$2 delivery charge). To insure we can comfortably and adequately accommodate to exceed your expectations, we limit our service to fifty (50) people or less, but gladly deliver dinner for two (2).
